Personal Pitching, Hitting, Fielding, and Catching Instruction by:

Chris Sears

Chris played high school baseball here in Cobb County, playing for both North Cobb and Kennesaw Mountain. While playing, Chris led the county in RBI's and was ranked among the county leaders in every offensive category. After completing his high school career, Chris went on to play baseball at Oglethorpe University, where injuries required him to take time from baseball and pursue other options. After taking some time off, Chris had workouts with scouts from both the Royals and the Reds but never signed. Chris has been involved with baseball in the Cobb County for four years giving personal lessons and working baseball camps with Braski Sports.

Additionally, Chris served as an assistant coach for the STA F Baseball Program's 17 and 18 yr. team, coaching a team that place fifth in the B.E.S.T. Baseball World Series. All but two players from this team went on to sign college scholarships. Chris also works as personal trainer for Gold's Gym, and is ISSA and IFTA certified. Currently, Chris plays for the Atlanta Diablos, a MSBL team that is in contention for its third state championship in the last four years.
